Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Ford or Lincoln Mercury Recall

The Ford Motor Company provides Carfax with Field Service Action and recall information regarding safety, compliance and vehicle. For complete information regarding programs or concerns about this vehicle, please contact a local [Ford](#) or [Lincoln](#)

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent owners. CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
